This COMPLETED FORM and a COPY OF THE DYNO SHEET must be uploaded via the website at performancecup.ca/register no later than two (2) weeks prior to the vehicle's first participation in PCC.

Alternatively, the completed forms can be emailed to registration@performancecup.ca

*Any modifications made to the vehicle that impact the original declaration of performance will require the submission of a **new Declaration of Performance**, which must also be submitted **at least two (2) weeks prior** to participation.*

*Please note that if there are any concerns regarding your Declaration of Performance and/or the dyno sheet provided, PCC reserves the right to require a new test to be completed at the **PCC-designated dynamometer**, at the competitor's expense. Please note all competitors will be allowed one free dyno test.*
